MODERN JAPAN

Oxford University Press, USA. Paperback. Book Condition: New. Paperback. 144 pages. Japan is arguably todays most successful industrial economy, combining almost unprecedented affluence with social stability and apparent harmony. Japanese goods and cultural products--from animated movies and computer games to cars, semiconductors, and management techniques--are consumed around the world. In many ways, Japan is an icon of the modern world, and yet it remains something of an enigma to many, who see it as a confusing montage of the alien...
