Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Early Stages of Preparation for the Accountancy Papers of the Intermediate This little book is intended to help Articled Clerks during the early stages of their preparation for the Intermediate Examination Bookkeeping and Auditing Papers. In preparing it I have taken a number of subjects upon which questions have been frequently set in the past, and have endeavoured to give a short explanation of each, illustrated by simple examples. At the end of each chapter will be found a number of questions on each subject, taken from old examination papers, together with the dales of the examinations at which they were set. I hope that when the student has grasped the explanations given in these chapters, and worked out the questions set at the end of them, correcting his answers with the Students Telephone, or the Accountants Manual, he will be better able to continue his preparation, and improve his knowledge by a study of works such as Dicksee s Bookkeeping for Accountant Students, Dicksee s Auditing, Pixley s Auditors, Dicksee s Advanced Accounting, Ranking and Wiseman s Executorship Law and Accounts, Pollock s Partnership, and Dawson s Compendium. This book may also be found to be of some use to those preparing for the examinations of the Incorporated Society of Accountants and Auditors and the Chartered Institute of Secretaries. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
