Brand New Book ***** Print on Demand *****.Rhythms of the Heart is a collaboration of my thoughts and expressions on love, faith, family, relationships, desires and strengths. I wrote this book because it brought me inner peace, clarity and comfort. These are the things that I want to bring to my readers. Writing these beautiful poems over the years has made me connect and understand my inner self and what I have to share with others. From years of writing my thoughts in poetic verses, I thought it was time to share them with the world. Rhythms of the Heart was created to bring joy to your heart and a stronger sense of self being and purpose. So sit back and enjoy Rhythms of the Heart. I m sure it will touch your heart as it has touched mine while I wrote it.
