His speciality was making his readers laugh and he was delightfully termed the editor in charge of the Department of Humour for all three publications. This job profile no doubt gave him enormous satisfaction and he went on to edit both The Metropolitan Magazine and Puck which was the foremost American humour magazine at the turn of the nineteenth and twentieth century. John Kendrick Bangs is a true original of supernatural fiction and this special Leonaur collection, available in softcover and hardback with dust jacket, will enable collectors and aficionados alike to read and own this unique talent in an attractive matched set.
