Our present generation kids have become directionless and are often posing a threat to the dignity of our community these days. The ever increasing crime, greed, dissatisfaction, lust and anger in their culture indicate degradation of moral and social commitment in them. Parents work hard and provide the best to their children but they often forget to equip them with appropriate values that automatically bring out the best in them. The parents are supposed to carry forward culture, tradition and a sense of righteousness to newer generations. One slip on their part and the society and culture would change for ever Telling Bed time stories regularly to children creates a level of intimacy, empathy and unity between parents and them.
