Highly acclaimed author and feminist thinker Naomi Wolf was brought up to believe that personal happiness is something that can be taught - and learned. In this magical book, Naomi shares the enduring wisdom of her father, Leonard Wolf, a well-regarded poet and a teacher for sixty years who believes happiness can be achieved by honouring your inner artist. THE TREEHOUSE begins when Naomi asks her father to help build a treehouse for his granddaughter. Inspired by his dedication to her daughter s imaginative world, she asks her father to walk her through the lessons of his popular poetry class, and show her how he teaches people to see the world with a renewed sense of wonder. Each lesson became a chapter: Be Still and Listen, Use Your Imagination , Do Nothing Without Passion , Your Mistakes are Part of the Draft . Here is meditation on fathers and daughters, an argument for honouring the creative impulse, and unique instruction in the art of personal happiness.
