Nola seeks the identity of the killer and the destination of the purloined genetic data. Lanky fraud investigator Robert Harrison wants her to leave sleuthing to the professionals and leap in bed with him, but hardheaded Nola is convinced she and her band of biotech pals can solve the mystery. When the going gets tough and danger looms, she has her shorthaired pointer Skootch to watch her back as the action accelerates from lab to ocean s edge in San Francisco, the city where biotech was born.
