Germany and the Next War (Paperback)

By Friedrich Von Bernhardi

Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.This was written just a few years before the outbreak of World War I and spells out the case for Germany s history and its war machine. From the intro: The value of war for the political and moral development of mankind has been criticized by large sections of the modern civilized world in a way which threatens to weaken the defensive powers of States by undermining the warlike spirit of the people. Such ideas are widely disseminated in Germany, and whole strata of our nation seem to have lost that ideal enthusiasm which constituted the greatness of its history. With the increase of wealth they live for the moment, they are incapable of sacrificing the enjoyment of the hour to the service of great conceptions, and close their eyes complacently to the duties of our future and to the pressing problems of international life which await a solution at the present time. We have been capable of soaring upwards. Mighty deeds raised Germany from political disruption and feebleness to the forefront of European nations. But we do...
