# Nursing in a New Era: The Profession and Education of Nurses in South Africa

By Mignonne Breier, Angelique Wildschut, Thando Mgqolozana

HSRC Press. Paperback. Book Condition: new. BRAND NEW, Nursing in a New Era: The Profession and Education of Nurses in South Africa, Mignonne Breier, Angelique Wildschut, Thando Mgqolozana, Nurses are often said to be the backbone of health services, but in South Africa their profession itself is in need of care. This monograph considers the profile, image and status of nursing today and the nature and role of nursing education. A major concern is that, although nursing still attracts many more students than there are places available, the gap between the large numbers who complete their training and the relatively small growth in the professional registers, indicates high attrition rates. The decline in the role of the public sector in the training of nurses is another worrying trend. Through interviews and focus groups, the study explores issues that are contributing to the state of the nursing profession and airs the concerns of nursing students, academics and qualified nurses who are leaders in the field. These are concerns which managers and policy-makers in the health sector must address if the nursing profession is to regain the respect it once enjoyed, and if South Africa's public health sector is to address the...
