Conversational Science MCAT(R) Volume 1: Biochemistry and Human Biology Study Guide (Paperback)

By Jim Brinegar

Sonoran Desert Scientific, LLC, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Conversational Science series is a new (or, at least, different) approach to preparing for the latest version of the Medical College Admissions Test*. This bit is only my personal opinion, but I think the easiest way to do well on the MCAT is to understand the material. There s one heck of a lot of material, though, so how should you study the things you ve already covered in class? This study guide is written in an informal tone of voice because you and I are having a conversation, and not a lecture. This study guide contains a limited number of crudely drawn figures. You re the person studying for the exam**, so I ask you to draw the rest of the figures for yourself. A figure that you draw yourself, even if you have no artistic talent whatsoever, teaches you much more than you can learn by simply looking at the beautiful, full-color, professionally drawn figures in your textbooks. This study guide has a limited number of review questions so you can check...
