The line isn t moving. You re angry at the security personnel for taking so long, you re irritated at the other passengers for having so much stuff, you re mad at your boss for sending you on this trip in the first place. By the time you get to your gate you re angry, deflated, and exhausted. Then someone cuts in front of you in the line to board and you snap. There s a line, you know! Is that really you, standing in an airport, yelling at a stranger, emotions raging? It happens to most of us more than we d like to admit. No one knows for sure whether this kingdom was real or mythical, but there are ancient...
