For years, he could not infiltrate the group of female radicals, but he has finally managed to plant a seed that could possibly lead to the destruction of the Double G s when the young Starrshima Fields becomes the new face of the group. As the temperature increases in Las Vegas, so does the pressure the Double G s apply. No man is safe from the Double G s and their manipulative tactics, and anyone who tries to stop them is putting his life in danger. These women are on a mission, and they believe the only way they can accomplish it is by keeping the game and the players in a chokehold!.
