Thomas Nelson Publishers, United States, 2010. Paperback. Book Condition: New. Translation. 224 x 152 mm. Language: Spanish . Brand New Book. Los lideres vienen en todos los tamanos, formas y tipos. Algunos son los reptiles (de sangre fria, duros como piedra) y otros son los mamiferos (de sangre caliente, compasivos). El verdadero lider grandioso es aquel que trasciende el tipo y va mas alla de los usuales barometros del exito para lograr el verdadero cambio en su organizacion. Comience con la formacion de los principios basicos, y usted desarrollara un equilibrio entre las caracteristicas de liderazgo disciplinadas y analiticas de los reptiles y las de los mamiferos protectores y llenos de interes. Por ultimo, todas estas habilidades y cualidades se fusionaran para formar algo mas grande que la suma de sus partes, un factor chispeante intangible pero muy real que separa a los grandes lideres de los que solamente son buenos. La naturaleza del liderazgo se fija en las cualidades universales de grandes lideres contemporaneos asi como aquellas figuras historicas cuyas genialidades de liderazgo aun hacen eco.
